

Renamed options on AustChoice Super menu

September 2011

IOOF is moving to a single multi-manager offering in order to achieve a simple and efficient investment model across the IOOF group. As a result, the United Sector Leaders Funds will no longer be offered to investors and the IOOF MultiMix Trusts will take their place. Many of the Sector Leaders Funds are available through AustChoice Super.

Minimal impact

If you're invested in AustChoice Super, the impact will be minimal because you're invested through a Master Pooled Superannuation Trust (MPST), not in the underlying funds themselves. The MPST invests in the underlying funds on your behalf and therefore the MPST will manage the transition from the United Sector Leaders Funds to the MultiMix Trusts.

Importantly, there will be no buying or selling of assets within your account. You will remain invested in the same pools through the same MPST after the transition. You will, however, see a name change. The names of the pools within the MPST will be changed to accurately reflect where they are invested.

These changes will take effect on 30 September 2011

Name changes

The following options available on the AustChoice Super menu will be renamed.

Old name	New name
United Australian Equities Fund	IOOF MultiMix Australian Shares Trust
United International Equities Fund	IOOF MultiMix International Shares Trust
United Capital High Growth	IOOF MultiMix Hi Growth Trust
United Diversified Aggressive Fund	IOOF MultiMix Hi Growth Trust (DA)
United Capital Growth Fund	IOOF MultiMix Balanced Growth Trust
United Capital Balanced Fund	IOOF MultiMix Moderate Growth Trust
United Australian Property Fund	IOOF MultiMix Wholesale Australian Property Trust
United International Property Fund	IOOF MultiMix Wholesale International Property Trust
United Capital Stable Fund	IOOF MultiMix Conservative Growth Trust
United Fixed Interest Fund	IOOF MultiMix Diversified Fixed Interest Trust
United Capital Secure Fund	IOOF Capital Secure Trust
United Income Fund	IOOF Income Trust
United Enhanced Cash Fund	IOOF MultiMix Cash Enhanced Trust
United Cash Management Fund	IOOF Cash Management Trust

As explained above, the names of these options are changing because the underlying assets they invest in are changing but this transition will be managed by the MPST. There will be no buying or selling within your account.

Ongoing investment instructions

There will be no impact on your ongoing investment instructions (such as regular savings plans and distribution instructions) because you will remain invested in the same pools through the same MPST.
